PASTOR'S MESSAGE

STANDING ON THE WORD

Beloved, one of the subtle dangers in our generation is the tendency to disobey God under the guise of theology or philosophy. When human reasoning, personal opinions, or popular teachings are elevated above Scripture, the heart gradually drifts away from obedience to God.

The Word of God is not a mere suggestion to lean on—it is the solid foundation on which we must stand. *"All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, and for instruction in righteousness"* (2 Timothy 3:16). God's Word is perfect, complete, and sufficient for faith and godly living.

True doctrine always produces obedience. Any teaching that excuses sin, weakens repentance, or contradicts the plain truth of Scripture must be rejected, no matter how intellectual or appealing it may sound.

KEY EMPHASES FOR THIS MONTH

•**The Word Above Philosophy** *"Beware lest anyone cheat you through philosophy and empty deceit"* (Colossians 2:8)

•**Obedience Over Arguments** Knowledge without obedience leads to spiritual pride (James 1:22)

•**Scripture Interprets Scripture** God's Word does not contradict itself (Psalm 19:7)

•**Truth Produces Godliness** Sound doctrine must result in holy living (Titus 1:1)

•**Stand Firm in the Faith** We are called to stand, not to bend the truth (1 Corinthians 16:13)

Let us be a people who do not explain away God's commands but submit to them wholeheartedly. May our faith be rooted in the unchanging Word, and may we remain faithful to the truth that saves, sanctifies, and sustains us to the end.

In His service,

Pastor Olatunji Omosele
